Section 1 — Introduction

This directory provides a list of MedStar Medicare Choice’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

If you join a MedStar Medicare Choice HMO/HMO SNP plan, you **must** use network providers to obtain medical care and services. You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Physician (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP.

A PCP should be your first point of contact for undiagnosed health concerns or health problems and routine health care needs. Besides providing much of your care, your PCP will help arrange or coordinate the rest of the covered services you get as a plan member. This includes your x-rays, laboratory tests, therapies, care from doctors who are specialists, hospital admissions, and follow-up care. Referrals are not required with MedStar Medicare Choice HMO/HMO SNP plans, but your PCP should be your primary resource to use when seeking specialist and hospital care and coordination of your medical services.

The “network providers” listed in this directory have agreed to provide you with your health care/dental/vision/fitness services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers, such as for emergency, urgent care, or out-of-area renal dialysis.

How to submit a paper claim

MedStar Medicare Choice’s network providers bill us directly for Medicare-covered medical services that you receive. If a non-network

provider sends you a bill, please call Member Services or send the bill to us for payment. We will pay your doctor or reimburse you for our share of the bill and will let you know what, if anything, you must pay (e.g., copayments, coinsurance, or deductible). If you have any questions about how to submit a paper claim, please contact us. Our contact information appears on the front and back cover pages. Or, you can mail your claim to: MedStar Medicare Choice, P.O. Box 1200, Pittsburgh, PA 15230.

What is a medical emergency and what is covered?

A medical emergency is when you believe that your health is in serious danger. A medical emergency includes severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse. **You may get covered emergency medical care whenever you need it from the nearest hospital or provider, anywhere in the world.** You don’t need to get approval first from MedStar Medicare Choice or your doctor.

If you have an emergency, our plan will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by non-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

With the MedStar Medicare Choice HMO/HMO SNP plans, you must use plan providers except in emergency, urgent care situations, or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor MedStar Medicare Choice will be responsible for the costs.

MedStar Medicare Choice 2016 Pharmacy Directory

This Pharmacy Directory was updated on August 2015. For more recent information or other questions, please contact MedStar Medicare Choice Member Service at 855-222-1041 or, for TTY users, 855-250-5604, seven days a week from 8 a.m. to 8 p.m.*, or visit [MedStar MedicareChoice.com](http://MedStarMedicareChoice.com).

*Our hours of operation change twice a year. You can call us **October 1 through February 14**, from 8 a.m. to 8 p.m., seven days a week. From **February 15 through September 30**, you can call us from 8 a.m. to 8 p.m., Monday through Friday, and from 8 a.m. to 3 p.m., Saturday.

MedStar Medicare Choice (HMO), MedStar Medicare Choice Dual Advantage (HMO SNP) and MedStar Medicare Choice Care Advantage (HMO SNP) have contracts with Medicare. MedStar Medicare Choice Dual Advantage also has contracts with the D.C. Department of Health Care Finance and the Maryland Department of Health and Mental Hygiene (Medicaid) programs. Enrollment in MedStar Medicare Choice depends on contract renewal. MedStar Medicare Choice Dual Advantage is available to anyone who has both Medical Assistance from the State and Medicare. MedStar Medicare Choice Care Advantage is available to anyone with Medicare who has been diagnosed with Chronic Heart Failure and/or Diabetes.

The pharmacy and provider network may change at any time. You will receive notice when necessary.

This document may be available in an alternative format such as Braille, larger print or audio. Please call Member Services at the phone number listed above.

Introduction

This booklet provides a list of MedStar Medicare Choice's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the MedStar Medicare Choice's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under MedStar Medicare Choice's only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of August 2015. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at **MedStarMedicareChoice.com**. You may also call Member Services for updated provider information.

You can get prescription drugs shipped to your home through our network mail-order delivery service. For more information, please contact us or see the mail-order section of this pharmacy directory.

If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact MedStar Medicare Choice.

You can get prescription drugs shipped to your home through our network mail-order delivery service.

If you have used mail-order services with your current plan before, or if you opt in now, our network pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us. If you never had mail-order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

To refill your mail-order prescriptions, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drugs within 7-10 days from the time that the mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 888-289-1405 and TTY 800-899-2114, 24 hours a day, seven days a week.

A home infusion pharmacy is a state-licensed pharmacy that specializes in providing infusion therapy drugs to patients in their homes or other alternate sites. For more information, please call Member Services. Our contact information appears on the front and back cover pages of this directory.
